## Fund Statement Terms

*Please note: some definitions outlined below may not be applicable for your Fund.*

1. Grants returned is when a grant payment is returned to the Foundation and added back to a fund. Grants may be returned for a variety of reasons (e.g. the organization is unable to accept the funds or use the funds for the specified purpose).
2. Realized & unrealized gain (loss) may include gains or losses from the sale of assets in the investment portfolio(s) in which your fund is invested; gains or losses from a stock or mutual fund gift between the time it was received in our account and when it was sold; changes in the market value associated with the investment holdings in the investment portfolio(s) in which your fund is invested. These gains or losses are net of investment management expenses in the investment portfolio(s) in which your fund is invested. Investment expenses are the costs for related staff time, investment consultants, investment software, and taxes. Investment expenses are assessed monthly.
3. Administrative fees are assessed to cover the expenses of managing and maintaining funds and related staff time. Administrative fees allow the Saint Paul & Minnesota Foundation to continue our work in inspiring generosity, investing in community-led solutions, and advancing equity. For nonpermanent funds, administrative fees are assessed quarterly in the month after the previous quarter for most funds. For permanent funds, administrative fees are assessed annually in the first quarter of the year.
4. Other income (expense) is where accounts receivable and other credits or expenses are listed (e.g. Program Related Investment (PRI) interest, investment transfers).
5. Uncommitted balance is the total of fund assets less any grants scheduled.
6. Investment holdings are the different investment portfolios or accounts in which a fund may have assets. The holdings percentages may differ from selected investment allocations due to the nature and timing of investments and assets moving into and out of a fund. Visit the DonorView website to see or change investment allocations, if applicable.
7. Investment performance is the overall performance for the investment portfolio(s) in which your fund is invested. Performance detail is shown in the quarterly statement.
8. Cash balances are short-term in nature and do not include money market investments. A positive cash amount is the result of a gift waiting to be invested in the fund's selected investment portfolio(s). A negative cash amount is a grant and/or fee that was paid during the month and will be moved out of the fund's investment portfolio(s). Cash transactions occur on the 1st business day of the month. This may not be applicable in a statement if there is no such activity in the fund during the statement timeframe.

## Library Director's Report: October 2024

Prepared by: Amanda St John, Library Director

### **Insurance rates:**

Insurance rates decreased about 4% for singles and 2.4% for families this year. Open enrollment ends November 15<sup>th</sup> and the City can provide the library updated budget projections after that time.

### **Library Friends of Cook County Grant Awarded!**

We received a \$4,400 grant for 2025's Winter Reading Program; Earth Day, Pride, Juneteenth, and Indigenous Peoples Day celebrations. We also received a commitment from the Friends to sponsor our Summer Reading Program (\$2500). The sum accounts for 57% of the 2025 program budget.

### **Building:**

Superior Cleaning completed cleaning the library upholstery. The cost for 80 pieces of furniture was \$1665.00. There is one set of rolling chairs with seats that could be reupholstered to extend their life.
